PhD Programs
Chemistry

Program Introduction

Modern chemistry is based on atomic theory and chemical bond theory as the foundation and the main line to develop. The discovery of atomic electronic structure and the establishment of quantum theory provide a solid scientific basis for chemistry. Mastering a solid, broad basic theoretical knowledge and skills of chemistry, grasping the specialized knowledge, theory and research method for a certain chemical research direction further systematically and understanding the present situation and development trend is the main objective achieved by studying chemistry at our university.

Courses you'll take

Solid Surface Chemistry
Chemical Reaction Engineering
Catalytic Science and Technology
Higher Instrument Analysis
Advanced Organic Chemistry
Polymer Chemistry
Modern Colloid and Interface Chemistry

Research Areas

Petroleum Chemistry
Colloids and Interface Chemistry
Catalytic Chemistry
Environmental Chemistry
Materials Chemistry
Quantum Chemistry

Tuition:
36000 RMB/year

Course start date:
September

Course duration:
Four Years

Required qualifications for applicants

1. Non-Chinese citizens, in good health:

Applicants should be non-Chinese citizens with a valid passport or verification of a foreign nationality at least 4 years, and with over 2 years living aboard records (9 months in a year living aboard can be considered as 1 year which is subject to the entry & exit stamps) in recent 4 years (before April 30th of every academic year).

2. Education and age requirements:

Those who are to study at doctoral level have a master's degree and be under the age of 40.

3. Language requirements for graduate program:

a. HSK5 (with a score of 180) or higher level for those applying for Chinese taught programs.
b. IELTS 6.5 or TOEFL 80 points or more for non-native speakers of English choosing English taught programs.

First Week of Sept.

Application Materials

1. Certified highest diploma, and transcript with an average of over 70% (should be notarized by related organizations)

2. Copy of Passport home page, and soft copy of your passport photo with white background, photo size 480x720

3. CUPB Application form or CSC form (for applicants who are also applying for the CSC scholarship)

4. Two recommendation letters (Given by at least an associate professor for postgraduate applicants)

5. Study and research plan

6. English or HSK Proficiency Certificates

7. Physical Examination Report (Health Certificate) (laboratory reports must be attached)

8. Non-criminal Record Certificate

9. Acceptance letter from your supervisor (For postgraduate applicants only, mandatory for Ph.D, advisable for Master)
The students who under 18 years old need to find a guardian for their period of study in Beijing before they begin their studies, this person must be a resident of Beijing. They also need to provide the guardian document (should be notarized by the China Embassy in their own country)
